

3 Star Dual High Security Euro Profile Cylinder

Features

- The cleverly designed central cam, will only rotate with the use of the correct key. So stays locked until you choose to unlock the door
- Fitted with a sacrificial snap line, the cylinder will snap at a designated point when under attack, protecting the central cam from any unwanted access, but still allows anyone with the correct key to operate the cylinder internally
- Independently tested and certified in accordance with British Kitemark TS007:2014+A2:2018 3 Star accreditation (TS007 3*) and to BS EN 1303:2015 to the latest stringent testing standards
- 6-pin high security cylinder with anti-pick and anti-bump security pins; and anti-drill rods
- Available in a "Dual" Colour finishes, suitable for use with door handles with a Euro profile design
- Choice of double or thumbturn designs. Paired keyed alike cylinders for front and back door applications available
- Supplied with three strong nickel keys. Keys are uniquely coded to allow for ease of re-ordering replacement or additional keys
